# Medical Device Governance

## SUMMIT 2.0

Supported by

*Dear Representatives of Public Institutions, Academia and Industry,*

*With the auspices of the Republic of Türkiye Ministry of Treasury and Finance, Ministry of Health, Ministry of Labour and Social Security, Ministry of Industry and Technology, and Ministry of Trade; following our first meeting which was held with great interest and strong participation, we are honored to invite you to the Medical Device Governance Summit 2.0 – “From Strategy to Transformation, From Collaboration to Global Vision”, organized this time with a broader and more comprehensive vision.*

*This second summit, to be held on 10–13 May 2026 at Granada Luxury Belek in Antalya, is not merely a continuation; it marks a new era for our sector and the beginning of a journey toward more advanced goals.*

*Our Summit aims to establish a strong roadmap that will shape the future of our sector through collective wisdom and cooperation in the following areas:*

- *New approaches in supply management*
- *Innovative and digital solutions*
- *Sustainability vision*
- *Global competitiveness*
- *Strengthening domestic and national production capacity*
- *Development of health technologies that transform ideas into products*

*By bringing together all stakeholders of the medical device ecosystem under one roof once again, Summit 2.0 will not only seek solutions to existing challenges but will also contribute to Türkiye becoming a country that produces, develops, and competes in global health technology markets.*

*We will be honored and delighted to have you with us at this strategic gathering, which will be a critical step in increasing domestic production capabilities, transforming ideas into products, bringing innovation into practice, and ensuring the sustainability of our healthcare system.*

***“ Unified Vision, Unified Future “***

*Respectfully,*
